## Southeastern Regulators Association Conference

October 29-31, 2006

The Mills House

Charleston, South Carolina

The 2006 Southeastern Regulators Association (SERA) Conference will be held at the Mills House in Charleston, South Carolina, October 29-31, 2006. SERA was formed by the member states of the Southeastern Zone of the NAIC and has met annually since 1981 (except for 2005 when the conference was canceled due to Hurricane Katrina).

Conference attendees generally include department staff and industry representatives involved with rate and form filings and related issues. The conference provides an opportunity for regulators and industry to meet and exchange ideas on significant issues impacting the industry.
